Quotes; Overwhelming Opposition

God knows that when we win against all probabilities, against insurmountable obstacles, and against **overwhelming opposition** despite any spectacular abilities or gifts of our own, then there can only be one conclusion: God is powerful. To God be the glory!

D. Jeremiah

Finally, as you face the future and its trials, expect God to prevail—and thank Him for every victory. In the presence of sustained and **overwhelming opposition**, we need to remember what God has done in the past, where He is at work right now, and what He has promised for a wonderful future. We must stop behaving as if we were a defeated enemy—we know that Christ will have the final victory; that He is greater than he who is in the world; that there is no temptation greater than His power in us;
