Quotes for the Week

Jesus entered Jerusalem on **Palm Sunday** so long ago. But He arose from the dead and is still alive, still seeking souls, and He wants to enter your heart today, on this Palm Sunday. It's exciting to see people come to know Christ as Savior. There's only one way to God—through Jesus; but the Lord uses many methods to bring us to Himself. I remember a doctor who came to church out of duty. One day, returning home, his son asked him, "Daddy, why don't we have any Bibles at home?" God used that question to prick that man's conscience and to ultimately save his soul. Morgan, R. J. (2006). Nelson's Annual Preacher's Sourcebook (2006 Edition, p. 104). Nashville, TN: Thomas Nelson Publishers.

Jesus' hour is a central theme in John's Gospel, creating an emotional uncertainty and expectancy and a theological understanding of the central importance of Jesus' death and resurrection. In John's Gospel, "hour" usually refers to the period from the **triumphant entry** (12:23) until the climactic death and resurrection.

Creech, R. R. (2003). Hour. In C. Brand, C. Draper, A. England, S. Bond, E. R. Clendenen, & T. C. Butler (Eds.), Holman Illustrated Bible Dictionary (p. 788). Nashville, TN: Holman Bible Publishers.
