Church Prayer & Praise

Thank-you, everyone, for your prayers and support in this first big step in getting me back to driving again. This trip to Minneapolis was for on the road training with computerized electronic hand controls. The training was a big success! We packed in a lot of driving in one and a half days. Training progressed from an empty parking lot to roads in industrial areas to residential and finally, on the last day, to high speed large freeways. The next step will be getting a vehicle and then getting it outfitted with the hand control system I trained on. John Loeppky

Mission Prayer & Praise

Pray for The Bunker staff and volunteers during the busy summer of fundraising events.

Prayer for our Missionaries

LeaderImpact Global has a new Executive Director. His name is Roger Osbaldiston, and he's Preston's new leader. Please pray for him and his wife, Nikki, as they take on this new role. It will take time to integrate with the leadership team and learn about the inner workings of the ministry.
