Quotes

“Be not **unequally yoked** ...” 2 Corinthians 6:14

In this verse, Paul is saying that to be **closely partnered** with *an unbeliever* is like trying to *plough a field* with **two incompatible animals**—like having an **ox and a donkey** hitched up together!...

It could be **applied to** a **close business partnership** between a **Christian and a non-Christian**. But it is **often cited** as the **reason Christians should not marry non-Christians**.

Water, M. (1998). *Knowing God's Will made easier* (p. 46). Hunt & Thorpe.

The pastor should refuse to marry the **unequally yoked couple, but his **gracious attitude** can make such an **impression on the unbeliever** that the door for **evangelism remains open**.**
