Community and Other Events

Pembina Valley Bible Camp

We have a few opportunities for you to get involved. We are looking for various summer positions to be filled – nurses, assistant cooks, maintenance help, male and female cabin leaders, as well as skill leaders (creative arts, bikes, and paintball). Most importantly, please pray for them that God would continue to provide what they need and that their ministry would be fruitful. Please contact Jill Friesen at 204-246-2008 or programdirector@pembinavalleybiblecamp.com if you can help with any of these needs.

Quotes

Try to think of the chain of people who brought the gospel message and life to you. How many of them were **normal people** with **normal jobs**? What does that tell us about **God’s plan** to **reach** the **world**?

Halter, H. (2014). *Flesh: bringing the incarnation down to earth*. Colorado Springs, CO: David C Cook.

A church that is effective and successful will have a **strong emphasis** on penetrating the community. **We are to reach people for Christ**.

In the first few chapters of Acts, **we see** that the early church blitzed their community. On the Day of Pentecost, three thousand people were saved, who in turn **moved** through Jerusalem like wildfire. That church grew so fast that the Jewish leaders said to the apostles, “Ye have filled Jerusalem with your doctrine” (5:28). Their **message** had **penetrated** the entire community.

MacArthur, J. F., Jr. (1991). *The Master’s plan for the church* (p. 107). Chicago: Moody Press.

As we commit ourselves to excellence in **reaching people for Christ**, help us to remember that the power is not in the methods or the means, but in the Person of the Holy Spirit. Amen.

Tozer, A. W. (2015). *Tozer for the Christian Leader*. Chicago: Moody Publishers.
