**A Call to Prayer for Our Church**

With respect to the direction of the WBMC, the need for corporate prayer concerning unity, pastoral search, amalgamation, and absence of committee workers is of utmost importance; a prayer meeting is scheduled following this morning’s worship service.

Ester Siemens has been admitted into BTHC. Please remember to pray for her.

Edwin Siemens has resigned from his position as Custodian. His last day will be June 30. We would like to thank him for his hard work and dedication over the last 15 years.

The men’s prayer time on Wednesday mornings will end on June 25 for the summer and resume in September.

Thank you to our video camera operators (Brad Funk, Chris Loewen, and Jake Penner).

Thank you to Ron & Kris Derksen for planting all of the beautiful flowers outside.

The attendance last Sunday, June 15 was 151 .

## Quotes

We need to keep on being the light of the world for Christ and not be *discouraged* or *defeated* when **opposition** comes—and it will come.

-----

Evangelism springs from our love for others and our desire to see them saved. We must have a *clear* understanding of the missiological objective of this work, because any uncertainty will cause us to flounder when **opposition** arises.

-----

When people call secret meetings or try to bypass authority structures in decision making, be on guard. When **opposition** must be organized in secret, it is unlikely God is behind the effort.
