## Quotes

Matthew Henry well said, "The necessities of life are the *bounds* of a **true Christian's desires**. Truly, the **secret of contentment** is not having much but wanting little. This is not to say we cannot have more than food and clothing. It means that **having more** than these presents a **temptation** (1 Tim. 6:9). May we, as God's children, *refuse to let the world squeeze us into its mold*, and *refuse* to imitate it as it seeks everything to live with and nothing to live for.
