Another Day to Serve Jesus

*Light is sweet; how pleasant to see a new day dawning
Ecclesiastes 11:7*

Put a finger to your pulse. Are you alive? Then be thankful! God has given you another new day on this earth, and you can see the clouds floating in the sky, hear the birds in the trees, smell the roses, and tell someone you love them. We have earthly service to attend to and tasks on earth to do for Jesus.

We don't know if we'll be able to do those things tomorrow, for we might be in heaven. Yes, in many ways, that would be better; but it would mean ceasing of our earthly service. Paul told the Philippians that while he preferred to go on to heaven, he also desired to stay awhile longer on earth to serve them.

So, we have another day. Don't waste it in sin, depression, self-pity, or laziness. Live to the fullest, for this is the day the Lord has made. Rejoice and be glad in it!

Draw me day by day nearer to Thyself, until I be wholly filled with Thy love, and fitted to behold Thee, face to face. Amen.
