Quote for the Week

*What did Jesus mean when he said keep my commandments?
When **Jesus** told **his** disciples after **his** Last Supper with them, "If you love me, **keep my commandments**", **he** was calling for them to demonstrate their loyalty to him as their teacher by doing what **he** told them to do, which includes **his commandment**, "Love one another". ... If you love someone, you are loyal to them.*

*This is one of the marks that we belong to Christ—that we are seeking, in **keeping his commandments**, to continue in his love, even as he, by keeping his Father's commandments, obtained continuance in his love. He succeeded in his great object; and through his grace, which is sufficient for assisting us, so shall we.*
