Quotes for the Week

While God-given, the conscience has certain limitations in its ability to **discern** right from wrong. To hold a razor's edge it must constantly be informed by the Word of God. At what points has the culture, instead of the Scriptures, influenced your conscience?

Sproul, R. C. (1992). Before the face of God: Book 1: A daily guide for living from the book of Romans (electronic ed.). Grand Rapids: Baker Book House; Ligonier Ministries.

Discernment is key to victory. **Discernment** means we are able to distinguish truth from falsehood. Be aware of entertainment, education, media, and philosophies that espouse a worldview that contradicts God's Word. Over time these ideas seep into our consciousness and weaken our ability to stand.
