Quotes of the Week

***In order to walk with God it is not necessary to flee from the world to some monastic cell or to a convent's gloomy shelter. Whatever we may be called to do, however heavy the burden that may rest upon our shoulders, it is possible to walk with God and to enjoy His blessed companionship. All that is needed is a yielded will, and subjection of heart to Him who has saved us by His grace.***

~H. A. Ironside

***Through the ages, devout believers in Christ have recognized the necessity of maintaining an intimate relationship with God through His ordained channel of prayer. It has often been said that prayer is as basic to spiritual life as breathing is to our natural lives. It is not merely an occasional impulse to which we respond when we are in trouble; prayer is a way of life.***

~K. W. Osbeck

We have an average attendance of 230 to 250 people at our Sunday morning service.

Many of our present committee members have served for many years on one or more of our church committees and have gone above and beyond their required responsibilities.

We, as a church family, need to work together to continue the work in our church and we ALL need to pull our weight to function. Please consider what you can or are willing to do toward this end - **even if it means climbing out of your comfort zone.**

## Touching Heaven
